

Silver Science:

A Night Under the Stars with StarLab

The Headwaters Eco Lodge, Glenorchy

Wednesday, 18 September

7.00pm – 8.00pm

Join us for the first session of our Silver Science series, a free interactive workshop for seniors, hosted by Libraries in collaboration with Otago Museum. Explore the night sky with StarLab, a portable planetarium that brings the constellations to life, no matter the time of day, and learn all about New Zealand's place in space. This session will be held in the Humboldt Room. Light refreshments will be provided and drinks available for purchase.

For more information, please contact glenorchy.library@qldc.govt.nz or visit qldclibraries.govt.nz.
